

Husqvarna LC141Li Battery Lawn Mower

Ideal for homeowners or for trimming complex areas, this intuitive hassle-free battery mower can mow an average-sized garden quickly and quietly in a single charge. The mower is easy to manoeuvre due to the lightweight and compact design, and the ergonomic handle makes it very easy to steer, even in small areas. Compatible with all Husqvarna BLi-batteries

Part # 967 62 84-03 (Kit)

RRP \$999.00 incl GST

Part # 967 62 84-02 (Skin Only)

RRP \$609.00 incl GST.

HUSQVARANA LC 141Li BATTERY LAWN MOWER

36V -41cm Steel cutting deck - 20kg with Battery.

Instant start. Low noise, SavE™ mode, Central cutting height adjustment, Ergonomic handlebar, Foldable handlebar, convenient lifting handles.

Ideal for homeowners or for trimming complex areas, this intuitive hassle-free battery mower can mow an average-sized garden quickly and quietly in a single charge.

The mower is easy to manoeuvre due to the lightweight and compact design, and the ergonomic handle makes it very easy to steer, even in small areas. Compatible with all Husqvarna BLi-batteries.

Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

Li-ion power

The Li-ion battery provides long lasting power and top class performance.

savE™

Choose savE™ for maximum runtime.

Cordless freedom

No petrol, no engine noise, no direct emissions and just a push on the trigger to go. The powerful 36V Li-ion battery pack is designed for reliable, long lasting use, designed to be recharged hundreds of times.

Quiet operation

The low noise provides a comfortable work situation and low disturbance for others.

Ergonomic handlebar

Ergonomic angle of the handlebar in combination with easy to reach bail arm together with intuitive keypad at your fingertips, makes operation easy.

Lifting handle front and rear

Easy grip in front and rear for lifting into storage, the car or carrying up the basement stairs.

Foldable handlebar

Easy to fold the handlebar to minimize space required for transport and storage.
